

PERSONAL PROTECTION:

Use an EPA-approved repellent: DEET, picaridin, oil of lemon eucalyptus, IR 3535.

Adults should apply repellents to children's exposed skin.

(DEET is approved by the American Academy of Pediatrics for infants 2 months and older).

GET RID OF STANDING WATER WEEKLY:

Empty buckets, drums, or water-holding containers.

Clean leaves and debris from roof gutters, downspouts, and elephant trunk extensions.

Empty watering cans, children's buckets, etc.

Drain unused swimming pools.
Empty wading pools at least weekly.

Change the water in birdbaths and plant containers.

Empty water that collects in folds of tarps.

Get rid of old tires.

Make sure door and window screens fit tightly and all holes repaired.
