Home Security Checklist

Use this as a guide as you check your home for safety measures. Boxes marked "No" indicate areas where you could take action to improve your home's security. These are just some of the steps you can take to decrease the likelihood that you or your home is targeted.

Exterior Doors All doors are locked at night every time we leave the house—even if it's just for a few minutes.	Yes	No	
Doors are solid hardwood or metal-clad.			_
Doors feature wide-angle peepholes at heights everyone can use.			
If there are glass panels in or near our doors, they are reinforced in some way so that they cannot be shattered.			_
All entryways have a working, keyed entry lock and sturdy deadbolt lock installed into the frame of the door.			_
Spared keys are kept with a trusted neighbor, not under the doormat or planter, on a ledge, or in the mailbox.			
Garage and Sliding Door Security	Yes	No	
The door leading from the attached garage to the house is solid wood or metal-clad and protected with a quality keyed door lock and deadbolt.			_
The overhead garage door has a lock so that we do not rely solely on the automatic door opener to provide security.			_
Garage doors are all locked when leaving the house.			
The sliding glass door has a strong, working key locks.			_
A dowel or a pin to secure a glass door has been installed to prevent the door from being shoved aside or lifted off the track.			_
The sliding door is locked every night and each time we leave the house.			
Protecting Windows	Yes	No	
Every window in the house has a working key lock or is securely pinned.			_
Windows are always locked, even when they are opened a few inches for ventilation.			
Outdoor Security	Yes	No	
Shrubs and bushes are trimmed so there is no place for someone to hide.			_
There are no dark areas around our house, garage, or yard at night that would hide prowlers.			

Hotchkiss Marshal's Office 276 W Main St – PO Box 369 Hotchkiss, Colorado 81419 (970) 872-3848

	Yes	No
Every outside door has a bright, working light to illuminate visitors.		
Floodlights are used appropriately to ensure effective illumination.		
Outdoor lights are on in the evening—weather someone is at home or not or a photocell or motion-sensitive lighting has been installed.		
Out house numbers is clearly displayed so police and other emergency vehicles can find the house quickly.		
Security When Away From Home	Yes	No
At least two light timers have been set to turn the lights on and off in a logical sequence, when we are away from home for an extended time period.		
The motion detector or other alarm systems (if we have one) has been activated when we leave home.		
Mail and newspapers deliveries have been stopped or arrangements for a neighbor / friend to pick them up have been made when we go away from home for a period of time.		
A neighbor has been asked to tend the yard and watch our home when we are away.		
Outdoor Valuables and Personal Property	Yes	No
Outdoor Valuables and Personal Property Gates latches, garage doors, and shed doors are all locked with high-security, laminated padlocks.	Yes	No
	Yes	No
